2023 Coffee and Tea Backwalls

**POS  
ON DEMAND**

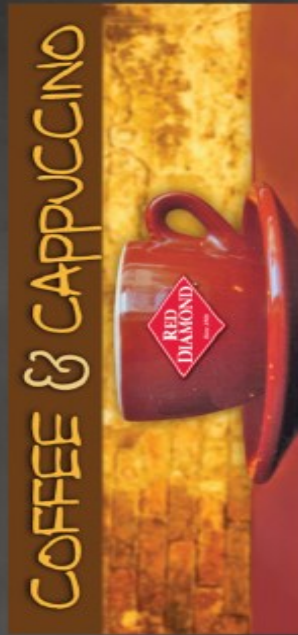

A cup of Red Diamond can be enjoyed in fine restaurants, hotels, and convenience stores across the nation. Over six million servings of Red Diamond coffee and tea are consumed daily. Our POS offerings include a variety of designs for your café. We offer several different color ways and our displays are designed to work well in any size setting. Every piece is coordinated, devised to promote sales and enhance your store with unified decorative elements. Red Diamond offers proven plans for promoting your offerings throughout the year, with consideration for the season and sales trends. We are committed as a family to provide you with products of exceptional quality, fair pricing, and superior customer service. For over a hundred years, we have successfully built customer relationships based on our dedication to this philosophy. We will continue to follow our legacy of high standards into the future.
