A HEART-HEALTHY SNACK THE WHOLE FAMILY LOVES!

Original Green Boiled Peanuts

Our green boiled peanuts are just that, green boiled peanuts! Our peanuts are harvested from the ground, boiled in the can using our traditional southern-style seasoning and sealed fresh, all in the same day! This process allows the peanuts to soak in the brine and flavoring and locks in the freshness and flavor until you are ready to enjoy them.

Cajun Style Green Boiled Peanuts

Warning: Our Cajun boiled peanuts are hot – very hot. I'm not kidding. Just like our Green Boiled Peanuts, these peanuts are harvested straight from the ground and boiled in the can but this time, we use our Cajun seasoning recipe that will likely melt your face! Of course, they are harvested and sealed fresh, all in the same day!
